

Sika Corporation

Construction

February 19, 2013

Josh Rollinger
Rollinger Companies
PO Box 80365
Billings MT 59108

This letter is to inform all interested parties that Rollinger Companies is considered a Qualified Contractor for application of Sikaflex and Sikasil elastomeric joint sealant products.

Rollinger Companies has successfully demonstrated the level of knowledge necessary to identify and understand existing conditions, complete industry standard surface preparation methods, properly mix and apply Sikaflex polyurethane and Sikasil silicone elastomeric joint sealants.

If anyone should have any questions regarding the information provided above, I can be reached at 303-475-8282.

Respectfully,

SIKA CORPORATION

Mark Tharnish
